01. Identification of the substance / preparation and of the company

Product:	**EasyCord (Sizes 000, 00, 0,1, 2, 3)**
Registration number:	not applicable
Use / Method of operation:	see product information / instructions for use
Identified use:	medical device for dental purposes, auxiliary material for gingival retraction
Company:	Müller-Omicron GmbH & Co. KG Schlosserstraße 1 51789 Lindlar / GERMANY
Phone:	0049 (0) 2266-4742-0
Fax:	0049 (0) 2266-3417
eMail:	info@mueller-omicron.de
Homepage:	www.mueller-omicron.de
Emergency phone:	0049 (0) 2266-4742-0 (8:00 – 17:00)
Responsible:	vsohr@omicron-dental.de

02. Hazards identification

Physico-chemical hazards:	No particular hazard known.
Human health dangers:	No particular hazard known.
Environmental hazards:	No particular hazard known.
Other hazards:	none
Hazard symbols :	none
R-phrases:	none

03. Composition / Information on ingredients

Description:	Cotton
Hazardous Ingredients:	not applicable

04. First aid measures

General information:	No special measures necessary
Inhalation:	none
Skin contact:	none
Eye contact:	none
Ingestion:	none
Advice to doctor:	not applicable

05. Fire-fighting measures

Suitable extinguishing media:	not applicable
Extinguishing media that must not be used:	not applicable
Special exposure hazards arising from the substance or preparation itself or combustion products:	not applicable
Special protective equipment for firefighters:	not required
Additional information:	Product is inflammable. Keep away from fire.

06. Accidental release measures

Personal precautions:	none
Environmental precautions:	none
Methods for cleaning up:	none

07. Handling and storage

Advice on safe handling:	No special measures necessary.
Advice on protection against fire and explosion:	Keep away from fire.
Requirements for storage rooms and vessels:	not applicable
Advice on storage compatibility:	not applicable
Further information on storage conditions:	storage temperature: room temperature storage conditions: store in a dry place. shelf life: with proper storage 4 years shelf life.

08. Exposure controls / personal protection

Additional advice on system design:	not applicable
Ingredients with occupational exposure limits to be monitored:	not applicable
Respiratory protection:	not required
Hand protection:	not required
Eye protection:	not required
Skin protection:	not required
General protective measures:	not applicable
Hygiene measures:	not applicable
Delimitation and monitoring of the environment exposition:	not applicable

09. Physical and chemical properties

Appearance:	Knitted cotton cord with varying strength	**Density at 23°C [g/ml]:**	not determined
Color:	different	**Evaporation speed:**	not determined
Odor:	neutral	**Vapour pressure [kPa]:**	not determined
pH-value:	not applicable	**Viscosity [mPas]:**	not determined
Boiling point [°C]:	not determined	**Solubility in water:**	not applicable
Flash point [°C]:	not determined	**Oxidizing properties:**	not applicable
Flammability:	not determined	**Melting point [°C]:**	not determined
Upper explosion limit:	not applicable	**Autoignition temperature:**	not applicable
Lower explosion limit:	not applicable	**Decomposition temperature:**	not applicable

10. Stability and reactivity

Hazardous reactions:	No hazardous reactions known.
Hazardous decomposition products:	No hazardous decomposition products known.

11. Toxicological information

Acute toxicity oral / dermal / inhalational:	not determined
Irritant effect on eye:	none
Irritant effect on skin :	none
Sensitization:	none
Subacute / Chronic toxicity:	none
CMR-activity	not determined
Experiences made in practice:	none
General remarks:	When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us. The product does not have to be labelled due to the calculation procedure of the "General Classification guideline for preparations of the EU" in the latest valid version.

12. Ecological information

Fish / Daphnia / Bacteria toxicity:	not determined
Behaviour in environment compartments:	not determined
Behaviour in sewage plant:	not determined
Biological degradability:	Produkt ist biologisch abbaubar.
Chemical (COD) / Biochemical (BOD 5) oxygen demand:	not determined
AOX-advice:	No dangerous components.
2006/11/EC:	not determined
General information:	not applicable

13. Disposal considerations

Product:	Must be disposed of in accordance with the local regulations.
Contaminated packaging:	Uncontaminated packaging may be taken for recycling.
Waste no. (recommended):	180103

14. Transport information

Classification according to ADR:

Classification according to ADR:	no dangerous goods
- Classification Code:	-
- Label:	-
- ADR LQ	-

Classification according to IMDG:

Classification according to IMDG:	not classified as « Dangerous Goods »
- EMS:	-
- Label:	-
IMDG LQ:	-

Classification according to IATA:

Classification according to IATA:	not classified as « Dangerous Goods »
- Label:	-

15. Regulatory information

Exposure scenario:	not determined
Chemical safety report:	not determined
Labelling:	The product does not require a hazard warning label in accordance with EC-directives.
Hazard symbols:	none
R-phrases:	none
S-phrases:	none
Special labelling:	not applicable
Authorisation, TITEL VII:	none
Restrictions, TITEL VIII:	none
EEC-REGULATIONS:	not applicable
TRANSPORT- REGULATIONS:	not applicable
NATIONAL REGULATIONS:	not applicable

16. Other informations

R-phrases (Chapter 03):	not applicable
Observe employment restrictions for people:	not applicable
VOC (1999/13/CE):	not applicable
Customs tariff:	not determined
